Accident Rate Is Up So Is Insurance Rate

"Head Start" For Full Year

Arlington is in line for some funds from a full year "Head Start" grant, this paper learned from two sources this week.

Harry McCabe, Chairman of the Arlington Council of the Community Council, stated via telephone conversation that he had been informed of the approval of the funds through the office of Senator Edward Kennedy.

At the same time, Executive Director of the Western Metropolitan Boston Regional Opportunity Council, Inc., WENBROC, Joseph W. Marcorana, in a news release, notified this paper of the \$300,000 grant.

The "Head Start" program will be conducted in the cities and towns of Arlington, Brookline, Newton, Waltham and Watertown.

Two Year Effort
The beginning of the program will be announced as (Continued on Page 2)

Arlington's increase in rates for compulsory auto insurance has resulted from an increase in claim frequency per 100 cars in the past four years.

This was the information, C. Eugene Farnam, Commissioner of Insurance, relayed to the Board of Selectmen in a communication in answer to the Board's letter as to why Arlington had been assigned to a higher and more costly classification.

In his letter to the Board, Farnam listed the following comparisons: number of claims per 100 private passenger cars, garaged in Arlington—1962, 8.1; 1963, 8.9; 1964, 9.0 and 1965, 9.5. This represents an increase of 17 per cent.

Selectmen in a letter to Farnam explained that citizens had been directing questions to them relative to the increase.

The Board's letter explained that residents were particularly incensed because of the change to a higher classification over that of a year ago, which added to the general increase and boosted rates approximately 10 per cent rather than the six per cent they had been led to expect would be a maximum.

As "Workable Program" Is Explained To Officials ---

Charles Pillman, Director of the Department of Housing for Urban Development of New York, left, sat in at the meeting of the Board of Selectmen, Monday night, to discuss a "Workable Program" with members of the Board, Housing Authority, and Planning Board. (Pictured with Mr. Pillman are Selectmen Saul, Feeley, and Bilefer.)

Members of the Arlington Housing Authority and Planning Board sat in on meeting with the Board of Selectmen, Monday night, at which the Director and his Assistant of the Dept. of Housing and Urban Development, New York, discussed a "Workable Program" for Arlington. Left front is the Assistant Director, Mr. Lieberman.

Havern on Rampage as Arlington Wins by 7-2

Coach Eddie Burn's A.H.S. hockey team defeated Waltham 7-2 Saturday at the Arena to open the second half of the G.B.I. hockey season. Arlington had opened the season defeating Waltham 9-3 Dec. 17.

Waltham left wing, Ed Bastarache, considered by many to be one of the best forwards in the league started the scoring when his hard slap shot from mid-ice broke by Mark Driscoll to give Waltham a short lived lead. At about 7:10 Bob Havern scored the first of his four goals to tie the score.

At 8:05 Paul Pilley, the big rough Waltham defenseman went off for interfering with Bob Havern who was going in all alone on the Waltham goalie for what would look like a sure goal. With Waltham, a man short the Arlington forwards

kept the pressure on the Waltham goalie. He made a great save on Paul Donnelly's hard shot at the nine minute mark and at 9:15 defenseman John Byrne passed to Bob Havern who scored from in close to give Arlington a 2-1 lead as the period ended.

Three Quick Goals
The Red and Gray scored three goals in the second period. Pilley went off for an elbow check at 1:30. Arlington's high scoring center then scored three goals.

With Waltham short handed Havern scored, Brian Corkery and Paul Donnelly getting assists. Bob's next goal came on a Brian Corkery rebound at 3:57; John Byrne had an assist on this one.

Bob's third goal of the period came at 6:03 after Pilley

had been banished to the penalty box for charging at 5:45. Arlington defenseman Brian Corkery fed Bob a pass at mid ice and Bob scored on a partial break away. This was goal number four for the day for the classy center ice man. A pass from defenseman Bob Bartholomew to Paul Donnelly gave Arlington its

5th goal of the day, in the last period. Yetten of Waltham scored in the last 30 seconds when goalie Jack McKenzie was screened on a close play in front of the goal. Jack made several fine stops before Waltham scored. Arlington plays Newton Saturday 3rd ice.

Dan Driscoll (8 pts.), Brian Driscoll (13 pts.) and Dave Pomeroy led the attack for Locke while Joe Boike (6 pts.), Bill Moskaluk (4 pts.) and Alan Porzio (4 pts.) led the Dallin surge.

In the sixth week of action in the Bantam-Pee Wee Hockey Program sponsored by the Park and Recreation Department close games dominated the play as four teams were held scoreless and only three goals were scored in the four games played.

The Bantam Rangers vaulted into a first place tie on the wings of a 2-0 decision over the hustling Canadiens, who were paced by Bob McCabe, Bill Murphy, John Seopa, Paul Mesuri, Mike Kane and Herb Rikeman.

Both teams played on fairly even terms until Jackie Hurd beat goalie Dick Amico after a neat pass from Rich Kreuz, who was outstanding for the Rangers, at the twenty minute mark.

Dick Longmire, who was skating his best game of the season, converted a Kreuz pass to sew it up for the Rangers, who received strong games from Curt Brown, Bill Kelly, Dick Evans, Roy Cook and Dave Geldart.

Goalie Augustino notched the shutout in the Ranger nets. In the second Bantam game of the program the Red Wings were held to a scoreless tie by the improving Maroons who were paced by Frank Igo, John McCarthy, Jay Mulcahy, Binky Binkoski, Tony Hirsch and Charley Vio.

The Red Wings, whose season's record is now 4-1-1, were dropped into a first place tie as a result of the scoreless dead-lock engineered by the spirited Maroons.

Steve Pompey, Larry Prior, Mark Mulcahy and Bobby Hutton played well for the Wings.

Rich Amico, Ron Crescentini and Frank Augustino collaborated for the shutout in the nets, turning aside a number of testing drives.

81 Seek Town Meeting Spots

Town Clerk Ann Powers announced this week that on Jan. 28 at 5 p.m. the last date and hour for submitting nomination papers to the Registrars of Voters for the certification of signatures, there were a total of 131 candidates for the 108 town meeting member vacancies to be filled at the coming Annual Town Election on Saturday, March 4, including 71 candidates for re-election.

Following is a breakdown by precincts of the vacancies and candidates:

Precinct	3 Year Term	Cand.	2 Year Term	Cand.	1 Year Term	Cand.	Other Cand.
1	4	2					
2	6	10					
3	3	3					
4	3	7					
5	7	3	1	1			
6	4	5					
7							15
8	5	7			1	3	20
9							18
10	5	5					17
11	9	12	1	4			
12	6	6			1	1	
13	6	7					
14	9	14	1	4			
Totals	69	81	3	9	3	4	33

In precincts 7 and 9, the terms of all town meeting members are to expire creating 33 vacancies, because of a revision in the number of town meeting members as a result of changes in the precinct boundaries. In these precincts, the first third in the order of votes received, of members elected, shall serve three years, the second third in such order shall serve two years, and the remaining third in such order shall serve one year.

The 69 three-year vacancies result from the usual expiration of terms of town meeting members. The six vacancies for one and two years are unexpired terms of town meeting members who have resigned, moved, passed away, etc.

In Precincts 3, 10 and 12, there are no contests for the three-year terms, and in Precincts 5 and 12, there are no contests for the one or two-year terms.

In Precincts 1, 5 and 9, there are a lesser number of candidates than there are vacancies. These may be filled by write-in or sticker candidates on the day of the election. To vote in this manner, the exact name and address of a candidate who is a resident and registered voter in the precinct must be written in the blank space provided on the ballot or a sticker containing the exact name and address of such a candidate may be affixed thereto. In either case, a cross (X) must be marked by the voter in the square at the right of the name and address of the candidate in order for the vote to be counted. A vote by sticker with a pre-printed cross (X) cannot be counted.

Initiate New Members

The Lady's Lodge 1709 Sons of Italy will initiate seven new members from Arlington at the February Meeting. Sponsors include Mrs. Dorothy Denaro, Mrs. Irene Silva and Mrs. Ethel Fiola.

The Sons of Italy is one of the largest organizations of Americans of Italian extraction and was instituted on the 25th of January, 1914 and in recent years has "blossomed" into a service type organization.

One of the highlights of the group is its achievements in charity and education. A Charitable Trust is now in process.

Last March a program "Operation Cookie-bake" was conducted by the local Ladies Lodge. Each member baked cookies of their choice, and also asked friends and neighbors to help.

These cookies were packed in tins and members and many of the friends sent a little note along with name and address.

These cookies were then mailed to the fighting men in Viet Nam. The Arlington Lady's Lodge 1709 mailed over 200 pounds.

Mrs. Marie Cappasso, 19 Yale rd., received two letters from the soldiers thanking her and the organization for the thoughtfulness.

One boy wrote "We wish to thank you for the gift and most of all we wish to thank you for remembering us over here. It is good to know that fellow Americans like you are supporting your soldiers no matter where they are." Letters were received from Marines at a field hospital in Da Nang East.

The Charitable Operations are not limited to the organization itself, in fact contributions have been made to the Kennedy Library, Don Orione Home, Veteran Aid (Chelsea Naval Hospital), Cardinal Cushing Fund, Home for Italian Children, and many more.

The Sons of Italy also enjoys our many social activities such as Mystery Rides, Banquets, Monthly Socials which include a gala function of fine foods and dancing, Country Fairs and others.

Membership is made up of workers, clergymen, doctors, businessmen, and women, housewives, lawyers, teachers, judges, and many occupations to numerous to mention.

World Day Of Prayer

Mrs. Collyer

A community carillon of church bells will herald the start of Arlington's annual observance of World Day of Prayer, Feb. 10.

Eighty years of tradition will combine with a call to

assume Christianity's present world-wide obligations as the women of Arlington, led by the Town's Church Women United, gather at noon in the Pleasant Street Congregational Church for an Ecumenical Service of praise and thanksgiving.

Speaking at the service will be Mrs. Paul A. Collyer of Needham, who with her clergyman husband performed missionary service in pre-revolutionary China and, more recently, in Taiwan. Mrs. Collyer's topic will be, "Do You Understand Me, Lord?"

Chairman and hostess for the day will be Mrs. William H. Marsell. Program participants will also include Mrs. John A. Walkinshaw, President of Church Women United; Mrs. John Douhan, Mrs. Robert Mezzoff, and a choir composed of women from all of Arlington's churches.

Nursery care will be provided for young children.

World Day of Prayer, held each year on the first Friday in Lent, knows no barriers of race, denomination or culture and will be observed this year in 127 countries of every political persuasion on all of the earth's continents.

It is a united entreaty for God's help for all who suffer and for all who are working toward making a better world.

At Zonta

Zonta dinner meeting was held at Winchester Country Club Jan. 26, with Leona Goss and Dorothy Pearson as hostesses.

Under the Aunts and Uncles (Rotary) plan, Florence Forsyth, president, introduced as special guests, Pauline Chambers and Denise DeVito, pupils at Junior High West.

Muriel Kimball, vice-pres., furnished the Flower Fund prize which was won by Elsie Greenwood.

Mrs. Pearson introduced Mrs. Charles McEwen, who presented an engrossing as well as unique program. The speaker, a graduate of Framingham College as well as Simmons where she received her Master's Degree, was formerly a teacher, a Home Demonstrator agent and a State of Ohio food specialist. Until last Feb. 1, when she retired, she was a valued instructor in the Home Economics Dept. at Arlington High School where she taught for many years.

Mrs. McEwen spared herself not one iota she demonstrated the art of cake decorating, while explaining each step in creating a charming picture, as topping. The real secret, as explained by this expert, is mastering the technique of pressure on the tube of frosting.

Five cakes were so treated, one of which was won by Gertrude Hutchinson as door prize. The others were auctioned off which produced animated fun and money as members vied with each other for possession.

Pauline Wade, Dr. Phyllis Abbott, Phyllis Warden and Helen O'Brien assisted the decorator.

Mrs. McEwen was surrounded by her enthusiastic listeners at the close of the evening.

SCHOOL and SPORTS

by Hal O'Brien

The local sports teams—hockey that is, continue to win.

The A.H.S. frosh team chalked up impressive 4-1, 12-0 and 15-2 victories over the North Shore All-Stars, Andover and Newton in its most recent three outings.

The Arlington High J.V.'s had a week off from regular games, but the Arlington High varsity won back to back contests from Andover (a non-league tilt) and from Waltham in a league game, 7-4 and 7-2 respectively.

However, the Arlington High school basketball scene is not quite as bright. Neither A.H.S. nor A.C.H.S. seem to be able to put together that "big winning streak" which would make the "big" season.

The A.H.S. J.V.'s have won two of their last three contests, while the A.H.S. girls' hoop team has won three straight.

Richie Sheehan, an all-around athlete at Arlington High, and an excellent freshman prospect at Boston U., has worked his way into the lineup; unfortunately B.U. lost its game at West Point.

Bobby Jorgenson is home from Clarkson, where he is playing defense on a freshman team which includes eleven Canadian players.

Buddy Clark is playing great hockey for B.C. which now has an 11-4 mark, and Dickie DiCaprio, former Arlington High star is now

playing with the Eastern Olympics.

Couldn't the Toczykowski family of Arlington have mixed emotions come next September, when Army and Boston College meet on the gridiron?

Henry, Jr., plays a fine defensive game for the cadets while brother Charlie has been sticking mostly to the hockey trail at B.C. However, if Charlie is allowed to play football he could be in that Boston College lineup sometime or other, on or about Sept. 30.

Arlington High Coach Ed Burns and All-Scholastic quarterback, Mark Driscoll were at the Sportsman's Show, Saturday night, as guests of "white sneakers" Joe Nameth of the New York Jets. Mark received an autographed football.

Members of the Boston College Varsity Club, who will most likely be on hand for the dinner at the Roberts Center, Feb. 12 at 7 p.m. included: Eddie Burns, Tommy Appelle, Allan Kierstead, Eddie Carroll, Henry Toczykowski, Sr., Fran Kearns, Paul Aiken and many other Arlington greats who starred in sports at the intown school.

Arlington High stars of yesteryear faced each other Saturday night when New Prep skated against the Boston College frosh team.

Charlie Toczykowski, who

has 21 points for B.C. and Peter Morse were up against Ed Ronan, New Prep captain.

A word from Rep Ned Dever—there is not much hope for a State financed stadium this year. Less than a year ago, three groups were supposed to be interested.

The group which considered building a hockey rink in Arlington, headed by Frank Finnegan, is planning to build a private rink in Connecticut.

Mike Burke and Bruce Lehan of Boston State are two of the fine mile prospects around—and they have a great coach to guide their footsteps in Billy Squires, who was one of Arlington's finest.

Browne and Nichols net-minder Eddie Walsh posted a shutout and Cliff Hamilton tallied a goal and three assists in an 8-0 victory over St. George's school last week.

Art Chisholm is pacing the Mass. Hockey loop scorers with 66 points, 30 of them goals. In his spare time, he is officiating in the Catholic Hockey league on Sundays.

This could be the year Jim Driscoll gets a "good shot" at the big time. Jimmy posted a .274 average in South America this winter and was watched on at least one occasion by Al Dark, the Manager of the parent Kansas City team. What did the former A.H.S. star do? Banged out two homers and a single.

Still recovering from mid-years, many clubs have taken a lackadaisical attitude towards their activities. Some clubs and organizations however, such as Girls' Club, Science Club and the Girls' Basketball team, are already back on their feet and are preparing new programs for student participation in the coming weeks.

The Interclub Council of Girls' Clubs, consisting of representatives from the surrounding towns has been planning, among other things, a possible trip to New York

Arlington High Athletic Director Bill Lowder was asked to name the ten best athletes during his tenure, and he didn't stop until he had listed some 35 former greats.

The list included mostly hockey, football and baseball players with a shortage of hoop stars and track greats. However, Billy Squires and Tommy Spengler have been scholastic stars in track, while Richie Sheehan, the Scully boys and this year's John Donovan have had great years on the court.

—And for a parting shot—I will name the best ten (in my opinion) in football next week. Watch for them and disagree.

Anyone who thinks he can name the best ten, drop me a line. Wouldn't a hundred letters bring in a hundred different choices?

during one of the school vacations.

Although these plans are not too definite, other projects are better outlined.

One of these is a plan to visit the famous Winterfest in Boston, and to see comedian Bill Cosby in action.

Moving along on its own, the Arlington chapter of the Girls' Club wants to sponsor a special day at the Cambridge YWCA for the girls from their club.

All members will have the privileges of the pool and other recreational facilities.

Playing with a spirit and vitality, the A.H.S. Girls' Basketball team has been doing fabulously this year. They have played three games, and the number won is three, also. The three unfortunate teams to play the A.H.S. squad were Newton South, Watertown, and Melrose.

The last game, with Melrose, was won in overtime, and only by one point, but the team managed to keep up their winning streak.

Congratulations should be extended to the whole team, especially the starting team consisting of: (offensive) Nancy Mahoney, Debbie Getrost, Aileen Abbruzzese, Ginny Barnaby; (defensive) Donna Manderino, and Mary Heffernan.

Congratulations to the six seniors who recently received recognition for their good citizenship from the Arlington Women's Club. Sue Borghesani, John Keohane, Charlotte Cooper, Steve MacLean, David LaFauci, and Connie Cole, were awarded the prizes for good work up to the present. These outstanding seniors were chosen by the educational committee, and Mrs. Philip Bower awarded the students their prizes. For the benefit of the town's future, we hope the students will continue on this excellent road.

Another aspect of girls' sports is Field Hockey, and although the season is long past, some of the A.H.S. girls will be starting the season early this year. The reason for this is that there will be six Arlington girls attending a field hockey camp this summer. Starting the last week in

A.C.H.S. Ready for Game of Year

Arlington Catholic's hustling hockey team posted its eighth win against a single loss when it defeated Matignon 5-2 Sunday at the Arena.

Brendon Sheehy, the leagues high scorer last year sent Matignon out to an early lead as he beat goalie Ralph Quanci in the opening minute of play.

Jim Mansfield tied the game midway in the period with the assists going to Don Coleman and Bob McCauley.

A.C. went into the lead as Garry McEachern scored just before the period ended. Don Coleman and Keefe had assists on the goal.

Don Coleman had the only goal in the second period with Larry Keefe and Bob McCauley the assists.

Don Coleman had the final goal of the day in the final minute of play with Jim Mansfield and John Coleman collecting the assists.

Ralph Quanci had a great day in the nets stopping many hard shots.

Sunday afternoon Arlington will face league leading Xaverian.

Xaverian is still undefeated with the only blemish a 3-3 tie with third place Xavier.

Game time is 2:15 p.m.

Bob McCauley had his third assist when he fed a pass to John Coleman for the fourth A.C. goal.

Don Coleman had the final goal of the day in the final minute of play with Jim Mansfield and John Coleman collecting the assists.

Ralph Quanci had a great day in the nets stopping many hard shots.

Sunday afternoon Arlington will face league leading Xaverian.

With the cooperation of the United States Dept. of Agriculture, they developed the sisal plant, a common roadside weed in India, into a native self-supporting industry.

Your Beauty

MR. RICHARD

If your skin tends to be oily, you don't have to be told you have a problem. But until recently, you could be confident that you at least knew its cause and cure. Even if nothing you did seemed to help that much.

You knew that your condition was caused by an excess of oil. And that this oil clung to your face, giving it an orange peel look, collecting dirt and germs, and causing blemishes. You were told, and it seemed to make sense, that removing the oil with soap and astringents would solve your problem. But the harsher the astringent, and the harder you cleaned, the shorter was your relief. In fact it seemed that there was a devilish effort by your nasty glands to stay ahead of you no matter how hard you worked.

New knowledge tells us that is just what was happening. By removing all the oil from your skin, you tell the glands to get to work and produce some more. In a short time this rigorous training makes them great producers and you the loser. Newer thinking on the subject tells us to use products which don't totally remove oil and which are designed to avoid stimulation of these glands.

If you'd like to talk more about this, why not give us a call?

Speaks at Mens Club - - -

The Arlington Heights Baptist Church will hold its monthly Men's Supper next Feb. 8.

Mel Gardner, official photographer for the New Hampshire Fish and Game Dept., will show an extraordinary color film of New Hampshire Wild Life.

The film is a thing of beauty from beginning to end, generously spiced with humor.

Beginning with a dazzling winter scene, Mr. Gardner traced the wildlife through the seasons. Using a telephoto lens and great agility—he photographed many birds in their nesting season,

including the baby birds in the process of breaking out of their shells.

Some, such as the ruby-throated hummingbird and red-shouldered hawk, are rarely photographed at the nest.

One of the most entertaining sequences dealt with a pair of Canada geese who raised a family on a N. H. pond.

Mr. Gardner followed them through the entire period, including an encounter with a hungry skunk who was no match for Mama and Papa Goose and ended up in the pond.

Sheehan Back in Action

Sophomore guard Dick Sheehan has recovered from a minor early season injury and looks ready to assume an important role with the basketball team.

The 5-10, 170 pounder from Arlington has lived up to his advanced billing as "top rookie prospect" in the Terriers' past three outings. "I'm very happy with the way Dick has been playing," says first-year head coach Charles Luce. "He has all the moves and ball handling ability needed to make the grade in the college ranks."

If Sheehan performs at the caliber he showed at Arlington High school and in his freshman year there is no

doubt but what he will figure heavily in Luce's rebuilding program.

A four-year member of the football basketball, and baseball squads, he earned "Most Valuable Player" honors in football and basketball.

A fine student, Dick, received the "Frederick V. Osterhagen Award" as "Student Athlete of the Year" in 1955.

As a freshman he continued his fine performances as a member of the first team on the Pup basketball squad, averaging almost 20 points per game.

ton, Lincoln, Winchester and Woburn.

Yes - It's Tax Free

Practically all veteran benefits are tax-free and need not be reported on income tax returns. Mr. James Coyne, Arlington Director of Veterans' Services, noted in answer to calls from taxpayers.

However, interest earned on GI life insurance dividends left on deposit with the VA is not classed as a benefit, but earned income and must be reported on tax returns.

Both proceeds of the GI policy and the dividends themselves are tax-free and need not be reported. Other VA benefits which are not taxable include:

Education and training allowances; subsistence payments to disabled veterans in vocational rehabilitation training; compensation and pension payments; grants to veterans for so-called "wheel-chair" homes and motor vehicles, and all benefits to families of deceased veterans.

Information and assistance on VA benefits for Arlington veterans and dependents may be obtained at the Arlington Veterans' Services office located on third floor of Town Hall Annex, Monday through Friday from 9 a.m. to 5 p.m. Home visits will be made by appointment to those incapacitated and unable to call at the office.

The New Officers

Attorney David Leone, (left) and Richard Mullin are shown at the Planning Board office after their recent re-election as Chairman and Secretary of the Planning Board for the third consecutive year.

Attorney Leone, 11 Foster st., is a practicing attorney in Boston and is a member of the Mass. Bar Association and the Boston Bar Association.

Leone has served on the Planning Board since 1962, he is also co-chairman of the Arlington Council of Parent Teacher Associations, and a committee member of the Arlington Citizens for Youth.

Mr. Mullin, 21 Hutchinson rd., is a practicing architect in Cambridge and a member of the American Institute of Architects; he has been a

member of the Planning Board since 1962. He is also a Town Meeting Member from Precinct 11.

In a statement issued after his re-election Leone said, "The role of Planning Boards in Municipal Government is becoming increasingly more critical and complex. This is especially true in Arlington where we do not have large areas of undeveloped land to look to for our future economic growth. Arlington's problem is one of preservation, maintenance and revitalization. With the aid of the many Federal Programs available to us and with active citizen participation, the Planning Board will be able to do its part in keeping Arlington a good place in which to live."

the Government Relations Conference sponsored by the American Institute of Planners and at the State Planning Conference there.

"The controversy," Dr. Levin stated, "involves a pro-apartment faction concerned with the possibility of substantial financial net gain to the community, and the opposing group who see for Mass. Avenue's future the appearance of a 4-mile long Grand Canyon, while shoulder to shoulder walls of apartment houses ring around the rose of Spy Pond and Mystic Lakes."

Whether it is possible to reconcile the two points of view within a framework of sound economics and high aesthetic standards of structural and landscape design will be discussed at the meeting by Dr. Levin, Planning Board chairman David A. Leone, and David D. Wallace, architect member of the Conservation Commission.

The meeting is open to the public under the sponsorship

Leash Law Still In News

Arlington's dog leash law is still in the news.

Last week, a two year old youngster, Laura Robillard received a summons because the Irish Setter, registered in her name, had been seen running without a leash in Arlington, by Dog Officer Sam Femia.

The youngster appeared in court and the Judge dismissed the case telling her father, Lawrence Robillard to get of the Civic Design Committee.

"If it appears that we are stirring up a hornet's nest in airing this controversy," stated Mrs. John A. Fitzmaurice, chairman, "then let it be for the sake of opening our minds for the consideration of new ideas that hopefully may provide a means for balanced living in an atmosphere of beauty and dignity, in response to one of man's most deeply felt needs."

Donna Poitras, Arlington's Jaycee-sponsored Junior Miss placed as a runner-up in the Mass. Junior Miss Pageant held Jan. 28, at the High School Auditorium in Hyanis. Placing with her was Sheryl Eagle of Stoughton.

Miss Joanne Lukey of Wareham was crowned Massachusetts Junior Miss. High school senior girls from across the state competed for the titles.

Miss Poitras stated she was "thrilled by the honor" and congratulated the winner. Donna received a scholarship of \$300 and numerous gifts.

April Wedding

Mr. and Mrs. William F. Zink of Arlington announce the engagement of their daughter Helene F. to Captain Wayne Koles, U.S.A.F., son of Mrs. Greta S. and the late Peter E. Koles of Chelmsford.

Miss Zink, a graduate of The State College at Bridgewater, is teaching in Bourne.

Captain Koles, a graduate of Lowell Technological Institute, is stationed at Otis Air Force Base.

An April 15th wedding is planned.

the dog properly licensed and restrained.

Town Clerk Ann Powers told this paper this week that from now on when dogs are licensed to those under age, the word "minor" will also be listed beside the name of the person to whom the dog is registered.

Meanwhile, Dog Officer Sam Femia told this paper this week that he expects the new "van" to be available in the not too distant future. It is also expected that the new dog pound construction will be completed by late winter or early spring.

Femia added that there are still a number of dogs running around without leashes, especially in the Heights area.

"VERBAL PRAYER"

When off to school we used to go.
Back in the early teens.
Things were a little calmer then,
At least that's how it seemed.

We used to start each school day
By saying the good "Lords Prayer".
It taught us love and how to live,
And the meaning of being fair.

This did us all a world of good.
As I look back to the past.
For, "As ye sow so shall ye reap",
Is the thought to work on fast.

To neglect the proper guidance,
When a child is growing up,
Invites a world of grief and trouble,
So today that's what we got.

Why not say the "Ten Commandments",
These might work real well in school.
To accept them is our way of life,
To reject them one's a fool.

Since "the period for meditation",
Has replaced the verbal prayer,
Some of our youth have run a-muck,
In our schools most everywhere.

It had it's chance, things don't improve,
In fact each month grows worse.
We have drop-outs and delinquents,
Now drugs, a youngsters curse.

We had a law called prohibition,
That was a nightmare in the past,
Then we saw the error that we made,
And repealed this law and fast.

But before this law was ended,
Other laws they broke as well,
And the best thing prohibition did,
Was to bring us years of hell.

The time that this law lasted,
Some say was much too long,
And some things that it created,
Are today still going on.

Once again the same old pattern,
Starts to build and now unfold,
And our youth is called the culprit,
At least that's what we're told.

If another error we have made,
We now should face the fact,
Repeat this law—on verbal prayer,
Could this be what they lack?

Plan Election For Bargaining

An election in connection with collective bargaining will be held Feb. 7, between the hours of 12 noon and 4 p.m. at the Town Hall.

The Notice of Election reads in part as follows:
"Pursuant to the Direction of Election, contained in the decision of the State Labor Relations Commission dated January 18, 1967, election by secret ballot will be conducted by the Commission and its agents for the purpose of determining whether or not certain employees of the Town of Arlington, herein called the Municipal Employee, who are eligible to vote as hereinafter defined, desire to be represented for the purposes of collective bargaining by American Federation of State, County and Municipal Employees, and its appropriate affiliates, herein called the Union."

Those eligible to vote include all non-professional, non-supervisory civilian employees. Some 320 Town Employees meet this requirement.

Arlington Town Employees are presently affiliated with the AFL-CIO.

Band Battle

The Arlington Jaycees are in the process of planning a "Battle of the Bands Contest" in March of this year.

The winning band in this local contest will be eligible for participation in the regional contest at Waltham in April.

Applications may be obtained from Frank Dailey, 97 Robbins rd.

Wallets Taken Thieves Found Money Gone

Two boys allegedly took a pocketbook at 36 Phillips st., Jan. 27, while two boys allegedly took a wallet from 63 Palmer st., on the same day.

According to Arlington police two youngsters were later taken as "juvenile children" in connection with these alleged thefts.

Police reports indicate that two youngsters, claiming to be collecting for Retarded Children, allegedly took a red leather pocketbook containing \$50 and personal papers from Miss Penney's home, 36 Phillips st.

On the same day, reports state that a wallet containing \$12 and personal papers was allegedly taken from the home of Mrs. Barry, 63 Palmer st.

In the second case, the boys were allegedly collecting for the March of Dimes.

A wallet containing \$10 and personal papers was found on Wyman st., the following day and returned to Mrs. Barry, while a wallet containing only personal papers was found in an ash barrel on Jan. 28 and returned to Miss Penney.

Boy Injured In Accident

Candidate

Owen R. Carrigan

"Because I feel that every citizen of Arlington who is interested in our town, should have a representative voice in the way that the town is governed, I wish to announce my candidacy for the two year term for Town Meeting Member from Precinct 11."

"My name is Owen R. Carrigan, and I live at 104 Ronald road. I am a graduate of St. Agnes grammar school, and Matignon High School in Cambridge. In 1964, I was graduated from Boston College with a Bachelor of Arts degree in Government. At the present time, I am a second year student at Suffolk University Law School."

"I am a junior member of the International City Managers' Association, an organization devoted to the betterment of the administration of city and town government through training and research."

"At the present time, I am filling a vacancy as a Town Meeting Member from our precinct, having been elected by the other Town Meeting Members for the Special Town Meeting last October. It is the remainder of this term that I am now seeking to complete."

"I feel that the position of Town Meeting Member is not only for the three or four, nights of Town Meeting during March, but is for the entire year. Town government is a 365 day per year job, and the people of the town have a right to a voice in that government all during the year. The Town Meeting Member should be that voice."

"If you elect me your Town Meeting Member, I would be that voice as your representative in town government."

"On Saturday, March 4, I respectfully request that you consider my candidacy, and give me your vote for the two year term of Town Meeting Member in Precinct 11."

SKI TIPS

#11 STEM CHRISTIE

By Ace Manley
Director, Big Bromley Ski School

The stem christie is an advanced-intermediate turn. It is a rather difficult turn, but one which is most helpful to the advanced skier.

The skier begins in the traverse position. The uphill ski is stemmed with an accompanying down motion, in much the same way as it was in the stem turn.

With an up motion, the weight is transferred to the stemmed outside ski. In order to initiate the change in direction, the inside or downhill ski is brought up parallel with the stemmed ski and advanced to enter the christie phase.

As in the uphill christie, the outside shoulder is brought gradually back and the edges of the skis are re-set with a down motion to finish the turn in a new traverse position.

In practicing the turn, it is important to remember that the skis start turning at the exact moment that the skis are closed or brought parallel to one another. The weight is shifted to the stemmed ski, pressing the knees forward and in the direction of the turn.

After sinking down to set the ski edges at the finish of the turn, the skier rises up slightly with the weight on the new downhill ski.

Report Cards

This is scheduled to be a big week in Arlington.

For it is the week when young people will be trying to think up some good reason why their social life should not be curtailed, why they should not be deprived of the use of the car, and who such other vile punishments as only parents can think up should not be enforced.

Why? Report cards will be going home from Arlington's public secondary schools.

The second reports of the school year are now due, and if your junior or senior high son or daughter does not present one for observation and comment, some discreet questioning is in order.

After seeing the card, interviews with individual teachers may be arranged through the school office—the guidance office in the case of the senior high school.

How America's red-white-and-blue collar workers help keep America strong.

In May 1941, top representatives of America's labor unions met with Henry Morgenthau, Jr., Secretary of the Treasury, and pledged their support of the Payroll Savings Plan for U.S. Savings Bonds.

Today, organized labor still endorses and actively supports the program. And the Payroll Savings Plan, just an experiment in 1941, now proudly boasts 8 million members, mostly union people, sharing a personal interest in their future and their country's.

With the Payroll Savings Plan, saving for the future is down-right easy — and painless. How can you spend money you don't even see?

When you sign up, a small part of your money is tucked away every payday. Automatically. And starts earning you interest

of 4.15% on every Bond you buy and hold to maturity.

Bonds grow quickly. So when you need the money for important, personal things, the money is right there—ready to help pay for them.

Important things like a new home, education, that dream vacation—or your retirement. Most important, Bonds are helping our men in Vietnam.

Buy Bonds on the Payroll Savings Plan where you work and you'll find yourself in pretty good company.

And dollars ahead.
